Can someone tell me where to find old iCal reminder emails so I can
delete them from the system? I'm currently running OSX 10.5.8,
although some of the reminders were created in Tiger.

System specs:

Model Name: Power Mac G4
   Model Identifier: PowerMac3,6
   Processor Name: PowerPC G4 (3.3)
   Processor Speed: 1.25 GHz
   Number Of CPUs: 2
   L2 Cache (per CPU): 256 KB
   L3 Cache (per CPU): 2 MB
   Memory: 2 GB
   Bus Speed: 167 MHz
   Boot ROM Version: 4.4.8f2
   Serial Number (system): XB40905UQ6P
   Hardware UUID: 00000000-0000-1000-8000-000A95CFC548

Thanks in advance.
