I made these a long time ago, so I don't know if they are of good quality when you print them, but... here are some PCE labels I made in "EPS" format: <http://www.zyx.com/chrisc/data/hucardlabels.eps>

You can see some more structured EPS drawings that I made of various logos and systems on the same page here:
<http://www.zyx.com/chrisc/videogames.html>

Enjoy!
