Honored to find members of authentic C64 groups.

I can say that the C64 Art/Code/Demo scene very much affected and defined my development as a Musician and an artist.

Every time some of the Groups pushed the boudaries of C64 hardware and music synth art expression and scanline interrupt effect synesthesia, it was... WOW!

These guys do fvcking cool stuff with the hardware/software /art and they Understand. They.. Understand.

that is my stand on this.
