I recently saw America's Test Kitchen, on PBS (check local listings) making a delectable-looking item they called a German Pancake, a.k.a. Dutch Baby, but I believe another name for it is *Pfannkuchen*. The marvels of which you may have heard hinted about if you were ever in the Minneapolis area, say for one of the MST3K ConventioCon ExpoFest-A-Ramas. Here is the recipe the ATK chefs came up with:

wondering if it's necessary to speak *Minnesotan* to sing its praises....
