I just wonder if this is related to WOODSTOCK. It's well-known that Joel didn't get to go to the Original Woodstock. And Sha-Na-Na PERFORMED at the Original Woodstock, but *not* with Bowzer! Curiouser and curiouser....

And Woodstock was the name of a character in Peanuts. The main character of Peanuts is Charlie Brown, which was also the name of a song by the Coasters. And Bowzer didn't perform with the Coasters either.

I tell you, this all adds up to something.

Bowser is the evil that Sonic The Hedgehog fights. I agree with Sonic,
scripts are better than improv.

Well, if you eschew COASTERS, you're probably an enemy of FURNITURE!

P.S. I'm imagining a CARTOON PANEL which dramatizes the WOODSTOCK issue:

Scene: A strangely deserted NY STATE THRUWAY

A HIPPIE is walking along the road, away from a sign, which points in the other direction: "To Woodstock"

In response to another person standing nearby, he SHRUGS.

CAPTION: "No Bowzer!"
