Comedy Fantasy Supernatural Shoujo Slice of Life

What will happen if three Vampire sisters started living in your ordinary neighborhood? Ella, the beautiful and conservative eldest sister Angelica, the air-headed and girly middle child Rinden, the quiet and cool youngest daughter They have to stay in Koharu apartment to learn more about human society. From experiencing the human romance, the thrill of chasing dreams, to endless struggle in tight-budget condition--their fun everyday life is now available in Full-color!

Read the first 4 chapters and it is amusing on a quiet level. One is just a typical school girl, the eldest is allergic to blood and survives on tomato juice, one is very practical and is attending night school to improve her life and understanding of human society. Biting humans is frowned upon. Bottle blood drink is used.
