Some salesmen offer a first time discount, I can give you 40% when you order, if you request the 40% off discount. To receive said discount, you'll ask or I'm not obligated to give you the discount.This is not a rebate,this is not a buy now and get cash back later.This is not a gimmick, this is 20% off the top deal. I'm keeping this simple, following theK.I.S.S.(Keep It Simple Stupid)method. Please remember to ask forBen's Atari discount or I cant give it to you. I need you to ask so I'll know you saw my ad. That's the catch.
