The E-mail associated with the account is a "spamcatcher" account that I got to every couple of months to empty out, and anything sent to it will not be seen for probably several months, if it is seen at all.

Perhaps you did not watch the new version of Fruits Basket, which, at least as I understand it, is much more like the manga than the 2003 version.

Well anyway, there is an episode where Arisa and Hanajima rope Kyo and Yuki to go on a shopping trip to buy Tohru (that is who it is, or at least who I intend it to be in the pictures to my limited skill in drawing fan art) a new swimsuit.

Well Kyo suggests the color orange, and Yuki suggests the color blue (I think), but Hanajima tells them it has to be pink, to which both of the guys say why she even bothered asking if she already had a color in mind.

Well anyway, we know it is pink, but what we don't know (or at least the people who have not read the manga don't know) is whether it was a one piece, bikini, or a loin cloth (like Shigure from Kenichi, the Mightiest Disciple wears).

Yes, I did watch the new series. I just didn't connect your art with your question.
