This is apparently the last trailer before the movie is released (which they're still filming!!), but there will be TV promos over the next few weeks.

From ComingSoon.net ...

Final Star Wars: The Rise of Skywalker trailer ends the saga!

-----  
Lucasfilm and Walt Disney Pictures have released the new Star Wars: The Rise of Skywalker trailer for the highly anticipated conclusion of the Skywalker Saga! Check out The Rise of Skywalker trailer below, along with the new poster in the gallery!

Trailer: (2mins 37secs)

Returning cast members for The Rise of Skywalker include Daisy Ridley, Adam Driver, John Boyega, Oscar Isaac, Lupita Nyong'o, Domhnall Gleeson, Kelly Marie Tran, Joonas Suotamo and Billie Lourd. Joining the cast are Naomi Ackie (Doctor Who), Richard E. Grant (Logan), Dominic Monaghan (Lord of the Rings), and Keri Russell (The Americans), who will also be joined by veteran Star Wars actors Mark Hamill, Anthony Daniels and Billy Dee Williams, who will reprise his role as Lando Calrissian. The role of Leia Organa will once again be played by Carrie Fisher, using previously unreleased footage shot for Star Wars: The Force Awakens.

In addition to directing, Abrams co-wrote the screenplay with Chris Terrio (Argo, Justice League). Kathleen Kennedy, Michelle Rejwan, and Abrams will produce, with Callum Greene and Jason McGatlin executive producing. Composer John Williams, who has scored every chapter in the Star Wars saga since 1977's A New Hope, will return to a galaxy far, far away with Rise of Skywalker.

Star Wars: The Rise of Skywalker is scheduled for release on December 20.
