Hi Readers and Typers,

I have been reading in "MAO" which is ongoing by one of my favorite Authors i.e. TAKAHASHI Rumiko writing about a cursed Exorcist and his companions.

His companions are a schoolgirl who seems to be cursed like himself and what seems to be a little boy, but who is a creation from a doll by the exorcist.

This is pretty good and exorcists and curses are not what I generally look for in manga.
