Leia Story is free speech. All of you guys are getting worked up over a piece of fiction. You really need to stfu and focus on other matters because this is ridiculous. Women in the 90s are SJWs and what you guys are saying is bullshit. End of Story. Let the dumbass post what he wants, he has every right to post whatever fanfiction story and yet you guys are over here bullshitting. Americans aren't bullcrapping on freedom of speech and women will lie about rape. This is the future guy speaking, your arguments are trash and wank.
