I got him to sign my Amazing Colossal Episode Guide a few years back at a live event, and he was polite but seemed really exhausted and tired of talking to fans. Can't say I blame him.

By coincidence, my wife just mentioned a couple hours ago that she saw online that the live MST3K show is coming to our area on her birthday, and she wouldn't mind going to see it. So I guess I know what I'll be doing in early March.
