I'll be posting some of that, too, since I happened across some of it not so long ago. For now, though, here's the new bit. I at least try to say more about it on my personal blog (found here: <https://jmshearersthoughts.blogspot.com/> if you're interested), but the relevant post won't go live until 8:30 AM Central time.

Anyway, here's a for what it's worth shot at this again before I get back to the older stuff.

Thanks!

Go for it! It might be interesting to see what comes of them.
