Nei and Souta's Petite Manga Ongoing 0.0

Author: os_fresa

Genres: Comedy Romance Ecchi Slice of Life

Nei is half demon and much stronger than most girls
Souta is short and cute and Nei is a bit crazy about him,
He is very pure and her physical expression bothers
him a bit but he enjoys her attention, really.

Each chapter is two pages except for the 1st which
has a cover page before two pages of character
introduction.

After looking at it longer it is a
Pedophilic grooming comic to get seduction by the
larger and stronger individual normalized for that
object of bad affections.
