It may seem like i am putting up a lot of stuff this month. The Shelter in Place order in California is giving me more free time, both to read and to post.

"Because Goodbyes Are Coming Soon"

Author: YUKIMURA Makoto

Genres: Action Drama Seinen Tragedy One Shot Historical

Follow the final moments of a shinsengumi first squadron captain, Okita Soji, as the author tells his version of the story.

This is only about 44 pages long. It ends with death. This is the first time I have seen Okita Soji depicted as suffering the full ravages of the tuberculosis that took him down. The art is fine. The heads-man sympathizes with Kono. This is on fanfox.net.

The greatest swordsman of the Shinsengummi dies like any other man and the very sincere leader as well.
