A reliable JK and a beautiful mother. Toshiro Nitta is a Hikikomori Neet who happens to be a trader. He lives alone in a large Japanese house as a shut-in. One day, some of his relatives have to start living with him ... !!

The life of a heart-pounding harassing life begins!

A bit more than a 4 Coma somewhat less than a normal comic looks like it must be suited for daily publication. JK means a HS Girl. The mother works and the girl goes to school and keeps house avoiding any hint of luxury. Omni-competent nadesico. Very good with amusing stuff based on the Hikikomori/Neet's attraction to the girl and his external incompetence.

But he seems to understand the heart of this girl...
