### Man In Jeans & T-Shirt Spotted In Latest Episode Of The Mandalorian

-----

Over the weekend, many fans took in the latest episode of The Mandalorian titled "The Siege" which was directed by Carl Weathers. At the 00:18:54 mark, you can clearly see a crew member standing against the wall on the far left of the screen wearing a green t-shirt, a pair of jeans and a watch on his wrist.

Screen grab:

Of course, fans have already been hard at work creating ways to enshrine the crew member in Star Wars canon. One such example is the "Jeans Guy" action figure.

Dave Filoni & Jon Favreau shouldn't feel too bad as screen errors like this aren't anything new to the franchise. The very first Star Wars film featured a Stormtrooper whacking his head on a low hanging door on the Deathstar complete with sound.

While it's very doubtful that anything official would ever come of this new instance in The Mandalorian, it sure is fun to speculate!
