I got a letter about a friend. It was sent by a guy named Greg. There was no return address but Post Marked from Portland, Oregon. It said my friend Don Taylor is gone. He suffered far too long before he got to go.

He was my friend. He wanted to come back to Portland but was'nt allowed. He was stuck in a hospital on the Eastern U.S. shores. He made me laugh. I called him Mo Rocca the comedian since that was what his voice sounded like. He will be missed. ==Ben==
