The Secret of Sandy Hook

A secret audio channel has been discovered by Yours truly, Johnny, who incidentally, is running for President of these United States standing.. Multiply 'silent' audio by 33.3 times, balanced for DC levels, with a touch of magic audio dynamics..

RAW audio from here:

<http://sheilaaliens.net/SandyHook/NewtownAreaFireandPolice/>

34:35 (hidden) '408 stand by shakes and thaws until we get further instructions for now.

'67 I copy'

34:45 (hidden) go '401 Bobby.' awright.. every commanding officer on the PD side, state your

personal on the front parking lot - entry is not available at this time.'

Nearly thirty five minutes after the first call out from dispatch, cops can not yet, enter the school, while ems can not either to attend to children bleeding to death, until such a time, that does not happen until after 1pm where the nurse is found in a closet. Despite a single cop asking at 10:35, then again, the same near crying at 25:30. We even hear caught the sufferings in pain of a child 6 or 7, with the angry words of ems too, asking a demand to speak to who's in charge here, while suspects wearing masks and a nun's outfit, and an "off Duty" tactical squad officer are let to simply walk off without any APB given to nab the guilty parties. No, instead, in conempt of God and Man, CNN and FOXSNEWS don't seem to be concerned for Justice winning, as just like when they bomb, rape or torture innocent Humanity lawlessly in the war crime military to over

throw Democracies for Saudia Arabia.

The suspect named Lanza, let off more than a 150 rounds in much less than 2 minutes and eighteen seconds, much less. Witness was able to walk in silence from her car, notice the costumes that the grunTERS wore outside the OPEN FOUR DOORS of the suspect's car, as walking to the front door to notice the window had been smashed, she conversed with her friend on the strangeness of the mystery, then heard gunfire from inside of which she ran from. Let's say a generous shave of about 20 seconds? So, that leaves a continuous barrage of many more than one shot per second, considering also, the lengthy conversation the suspect had with someone over the intercom, and Ms. Soto, of which in their altercation, told of all the children were off to gym class - where incidentally there WAS A GYM CLASS present - a big empty room - then of course the suspect needed to reload all of his four hand guns and four rifles, (but leaving the AR-15 in the trunk for luck? - second video near nobody has seen - search "second Gun") which gave Soto's children the smarts to run out all the way over to Gene's house, followed CLOSELY behind by a crazed frantic male to murmur about not worrying about something continuing on, as he would know, or another thing about being vague. Gene stressed, best to get the children inside where it would be safer from the dangers of the grunter "Police" in Sandy Hook. America must war for Justice meted against these ungodly wicked whores of Satan who remain US silent on this, the wickedest of treasons ever minus 9/11. God wills Justice always. We demand the 911 calls be made public with everyone in real Policing prepared to arrest all those Sandy Hook "Police" who refuse to co-operate with the Laws on the Book for first degree mass murder. King Johnny for President.

00:10 (9:35)ish dispatch "67?"

to THEN gun down children like they regularly do for fun in Afghanistan as whores for George Walker Bush and the Neocon
Zionist ungodly demon beligerents, who claim "we" didn't/don't

So, instead of fighting for Justice to preserve freedom, America is lawlessly still led by those who demonically claim we don't need evidence to form their guilty verdicts. On the matters of Good and Evil. And some people call-ME-crazy..

Republicans are Evil traitors to our flag, warring to kill America for Satan as the good for nothings. Under the new Johnny Presidency, America will stand proud and strong as freedom being Justice for everyone. You included.

ABCNEWS FBI Called off Terror Investigations "You Will Not Open Criminal Investigations" Bush "There's no need to discuss evidence of innocence or guilt." Someone planted explosives in building 7, and believing that 'bin Laden did it' without any way to know actually so, STILL insists Laden would have had to have an accomplice. Ozoleck had a war game called, "Unified Vision" practicing the collapsing of buildings in NYC, a "Red Ex" plan for invasion of Afghanistan in May 2001. Condi signed the invasion plan on Sept. 9 2001 as reported by Jim at MSNBC. The Taliban wanted to hand over Laden repeatedly all the way back through Clinton, by just simply a formal allegation with evidence these demons deny all dying Americans still. Denying justice from the terrorists as a public option strategy is the con of a war criminal. Don't be dumber than dumb as cowardly 'unawares'.
