In SW:ANH the book, there is a scene in which Luke meets up with Biggs, his best friend, at a 'gas station' on Tatooine.

Biggs is just about to embark to join the Rebels and he urges Luke to do the same. Unfortunately, in seven viewings, I've never seen that scene in the movie.

However, I know for a fact there are different versions of TESB out. When I saw it in Florida, the scene with Vader with his mask off (showing the back of his head) was in; when I saw it in NJ, it was not in.
