In the book "The Empire Strikes Back" the relation of the characters is explained. It says that when Anakin/Darth had the twins Luke and Leia, he was afraid that the Emperor would find out about them (since they would be a threat to the Empire). So Anakin had his teacher Obi-Wan take the kids and hide them. Obi-Wan took Leia to Senator Organa on Alderaan. Luke was taken to Owen Lars (Obi's brother) on Tatooine. The Organa's adopted Leia and the Lars' adopted Luke. Really simple, isn't it?
