I am looking for any information you might have on
the Software Writers International Guild (SWIG).

Is membership worth the \$20.00 annual fee?

Is their magazine, "Software Writers Market Magazine",
worth the \$18.00 subscription fee?

On a similar subject:

Have any of you read "The Software Writer's Market",
published by IPF Publications? Is it worth the
money to buy (\$19.95), and the time to read?

Please mail information, or requests for summaries directly to me.
If enough interest is demonstrated I will post a summary to the net.

Any assistance would be greatly appreciated!!

Thanks in advance,

Mike
