I'm trying to get in touch with Allen Leigh (he recently?  
posted an article in this newsgroup regarding a relational  
dbms for ataris). If any of you know how I can get in touch  
with him, send me mail at drutx!druky!med or ask him to  
call me at (303) 666-7180 (evenings only). Thanks in advance...
