If you are unable to access Simtel-20 because of network restrictions please remember that MOST of the new files announced to Info-Cpm are also available on my RCPM Royal Oak (MI) which may be accessed at 300 baud using the 103a modem mode or 1200 baud using either the 212a or Vadic 3400 modes. The telephone number is (313) 759-6569.
