Help. I need a CPM to UCSD file transfer program. I have one that was published in Dr. Dobbs in 1980 but the copy I have is garbled in the middle. I think I got it at SIMTEL20 but I can't find it now. -Thanks, David

There are two available from Simtel20:

Filename	Type	Bytes	CRC
----------	------	-------	-----

Directory MICRO:

PAS2CPM.ASM.2	ASCII	7500	50C6H
PASTOCPM.ASM.2	ASCII	11660	D8DEH
