Old Mother Hubbard  
Went to the cupboard  
To get the poor dog a bone.

When she bent over,  
She found that old Rover,  
Had gotten a bone of his own.

(Existed long before in the "Truely Tasteless Jokebook" series long  
before Andrew Dice Clay lifted it for his wwwwwaaaaayyyy outdated profanity  
act. Saying "Fucking Sucking Funky Monkey Balls" on the Internet? Who knew  
that could be done?)

Andrew Dice Clay: "Old mother Hubbard went to the cupboard to get her  
poor dog a bone, when she bent over, rover took over... She got a bone of  
her own! OH!"

What an innovator!

Amazing that sane people would be moronic enough to pay good money to  
watch such a pointless moron. On the other hand a few people ACTUALLY VOTED  
for George Walker Bush (not that the Anti-American Supreme Court of Treason  
cares anything about "The Will of the People" to decide whom governs them  
fairly).

You can find Andrew Dice Clay with his career giving blowjobs for \$2  
behind the Wal-Mart dumpster in some nowhere town near the St. Louis area.  
The man has to pay the rent with the only talent of worth he can claim (a  
big mouth good only for making motorboat noises).
