I got a Leather C64 Computer Cover and a composite (8-PIN DIN TYPE) Audio/Video Cable in a box of software that I still have available! Also in the box are a bunch of "extra" Loadstar's and Compute Gazettes that i already have and no longer need.

All these items need a good, loving home and I WILL NOT throw them away! So, here's the deal:

For \$25.00 I will include all the above items in one load to whoever wants them! This DOES INCLUDE SHIPPING TOO!!!!!!

Have a great Weekend!!!!!!

Charles

It's a deal! Which do you prefer, Paypal or moneyorder? If moneyorder, please email me your address.
