No, it is not appropriate to spell the word "skill" with three l's, as was done in the subject line. But seriously, the topic of the group is

MST3K, not the career of Jonah Falcon. There is a slight connection, in that you are a frequent contributor to this group, but that hardly qualifies such discussions as on-topic.

I'm hardly in any position to judge other posters, however, since by my own admission my latest thread is only slightly on-topic.

Okay, I **will** be on The Daily Show on March 2. There. I admit it.
