Oh, it's the Song of the Bizarro South!

Maybe he should have exchanged the Idol for the Whip....

Did you notice that there was a switch on the Island that set Smokey to DON KNOTTS STRENGTH? :-)

Now, an exciting TRUE-LIFE Disney adventure, for the whole family!

I never bothered with "LOST".

It seemed too much of a weak joke with no punchline to even try any
emotional investment.

There is something I ran across which makes some sense for the
goof-tastic plotline mess of "LOST".

"Lost" Ending Was The Dog's Dream

Jimmy Kimmel has a unique view of how exactly "Lost" ended. First of all,
that dog totally eats Jack right after he dies. Secondly, yeah, a "St.
Elsewhere" ending would somehow make more sense than whatever it is "Lost"
did exactly.
