It can only be a matter of time before they bring "Buck Rogers in the 25th Century" to the big screen, in BeeDeeBeeDee...Bee.

Using Danny Devito as the voice of The Lorax is about the worst idea I've seen yet.
The rest of the cast seems somewhat tolerable, but DANNY DEVITO?!? Gah!

Unwatchable.

I just realized that they might think that a "Tree-ty" might be just the thing for the conclusion of "The Lorax". If someone takes the chance of seeing this, please tell us if they, in fact, go that far!
