It's been awhile since I've written a MiSTing. Ten years, minimum, I'd say.. Long enough that I've forgotten how long, really. I'm more than a little out of practice, and I'm sure it shows. But, I'd like to get back into this, and I've gotta start somewhere, right?

The finished product is going to be in a non-standard format similar to what I used towards the end of my first run of MiSTings. It won't be quite the same because I'm planning on doing a bit of standard prose to "re-boot" that fan-verse. I'm just about done with that, but there are a couple details I've gotta get worked out first.

In the meantime, this is meant as a bit of a prelude. I'll have it up shortly.
