How much RAM? Does it have a hard drive? What size? Does it have a cache card or CPU upgrade in the PDS? Any cards and what are they in the three NuBus slots? Keyboard and mouse? What models of those?

List everything with it and people interested in obtaining a Ilci will offer what they think it's worth to them.

Ontario, Canada or one of the other Ontarios? There are at least two others, one in California and one in Oregon. Ontario the province of Canada is a large place, so which city if that's the Ontario in which you reside? ;)
