does anyone out there have a ti 99/4a extended basic cartridge they would be interested in selling. i realize you can buy these new, but i'm getting it for my younger brother (who uses the ti only as a toy) and i don't want to spend \$60-\$80 for it. if anyone has a used one they want to get rid of, please send me e-mail.

thanks,

ken fernald, north carolina state university
