Happy September, C= and Ami comrades!

The next meeting of the Southern California Commodore & Amiga Network is Saturday, Sept. 9, from 2 to 5+ p.m. at

Panera Bread Restaurant
19662 Nordhoff Street
Northridge, California
(818) 407-9400

I'll summarize my thoughts on the July 29-30 Commodore Vegas Expo (big thanks to the SCCAN members who came in force to CommVEx!), and we'll talk about the upcoming Amiwest Show on October 21-22 in Sacramento.

In addition to the usual Amiga 1200, Plus/4, and VIC-20, there will be the Educator 64, last seen at the June Pacific Commodore Expo (no AmigaOne G4 this time in order to make room for the E64). If I can dig it out, there will be the Vampire 500 (still not installed in any machine, though I'm leaning toward the Amiga 2000).

Have your Commodore/Amiga orders ready, because I'm going to Europe and can bring back small/medium-sized C=/Ami items in my suitcases. Closer to home, I'll be distributing a carload of C= stuff from former user Tim of Idylwild.

As always, bring any Commodore or Amiga items you wish to share!

Truly,
Robert Bernardo
