Happy, hot September, C= amd Ami comrades!

The Fresno Commodore User Group has its next meeting from 11 a.m. to 2:00 p.m., Sunday, Sept 10 at --

Bobby Salazar's Mexican Restaurant
2839 North Blackstone Ave. (corner of Blackstone and Michigan)
Fresno, California
(559) 227-1686

Note that the meeting this month is on the second Sunday instead of the third Sunday.

For discussion we'll talk about the October 21-22 Sacramento Amiwest Show again. On the hardware side, the Educator 64 makes the rounds from the Southern California Commodore & Amiga Network meeting to our meeting. If it gets here in time, we'll examine the new Vampire 500-to-Amiga 2000 CPU slot adapter board from Paul "Acill" Resendes.

In applications we'll check out the VIC Music Composer for the VIC-20, a bunch of BASIC extensions for the VIC-20, C64, Plus/4, and C128, a modernized game, Empire 128 - Enhanced; and a new C64 game, Galencia.

Finally, this is your last chance to tell me if you need any C=/Ami goodies from Europe! :)

Truly,
Robert Bernardo
Fresno Commodore User Group
