Path hcrvax!jims (Jim Sullivan @ Human Computing Resources, Toronto, Ontario)

Yes, the adolesence of P1 was/is a T.V. short (1 hour) shown recently on PBS' Wonderworks (Monday @ 8:00pm) (i think)

It's about a hack (called Hacker) who writes a Life program, and then modifies the program to create new programs....actually an interesting idea. I enjoyed it, although my girlfriend thought it was silly. By the way, it was filmed in Toronto.

Jim Sullivan ..!hcrvax!jims
