Hello. I am looking for the episode where Rocket Number 9 picks up a visiting space capsule, and it's GENE RAYBURN! Of course, Crow freaks out as obviously he's one of his heroes based on the Match Game host segment he did (and that he hosted the Comedy Central version of Match Game, which we all remember seeing). He asks Joel if Gene can join in for movie sign and he says yes, so we get to see Gene riff a movie with Joel and the bots! I forget which movie though...can someone help, and does anyone have this on tape?

OK, Hercules #502 has the match game segment. I don't know about the other thing you're talking about.
