Happy Canada Day and 4th of July, C= and Ami aficionados!

The next meeting of the Southern California Commodore & Amiga Network is Saturday, July 9, from 2 to 5+ p.m. at

Panera Bread Restaurant
19662 Nordhoff Street
Northridge, California
(818) 407-9400

For discussion, we'll talk about the Commodore Los Angeles Super Show – the past show and its future. Also we'll discuss the August 6-7 Vintage Computer Festival West at the Computer History Museum in Mountain View, California.

I'll bring in a Commodore 128 so that we can play with C128 game, Volley For Two, newly released on cartridge. Then we have the C64 games released in June and July – Minijump, Ball n Chain, Gold Quest 6, Poing, Zoomies, and Rowman. The Amiga 3000 returns, and we look at an Apollo Firebird (which has not been installed in any machine yet).

As always, feel free to bring any other Commodore and Amiga hardware/software that you wish to show off!

Truly,
Robert Bernardo
