Subject: Games that I am selling...

Fellow listers,

I just wanted to thank those who responded to my sale. I still have most of those games available, however I am planning on putting what doesn't sell in the next couple of days on Ebay. I know most people don't care for Ebay, but I have some items there that some of you might be interested in. I had a decent collection (200+ games) that some of you might need, (IE Bonk 3 CD, Super Air Zonk (CD Denjin), Salamander, etc). Not the most rare of games, but some that aren't the easiest to find. Here is a link and you can check some of the 80 games I have so far, I have MANY more to go, as well as my Hudson HuCard collection. If you have any needs that I might have you can inquire before I ebay it and we can make a deal. Thank you again.
