Star Wars Celebration VI is returning to the Orange County Convention center in Orlando, FL, on August 23-26, 2012. I went to Star Wars Celebration V, also at the Orange County Convention Center, in 2010 and it was a blast! See <http://www.starwarscelebration.com/> for more info and to purchase tickets.

Here is Anthony Daniels at Celebration V:

I have a lot more video somewhere that I must have never have uploaded. Will post when I get a chance...
