Hi all new to the forum here. I'm a 30 almost 31 year old who loves old school nintendo games. At my parents house I still have all my 500 or so cartridges. Just wanted to put my top 10 underrated games out there for people to discuss. Hadn't seen a lot of these on the lists so here goes:10. Rampart 9. Twin Eagle8. North and South 7. Conflict 6. Nes play action football.5. Nintendo World Cup 4. Astyanak 3.Legacy of the wizard 2.Dusty Diamonds All star Softball 1. Bandit kings of ancient china - Tremendous depth and plenty of strategy. Well reviewed but hardly shows up on best of lists.

Interesting list. "Astyanax", "Legacy of the Wizard" and the two Nintendo sport titles I always tell people (mostly in my store) to try out and none of them listen. I played "North & South" once but I wanna find a copy and play with a friend.

North Vs. South is definitely a game that requires two players for a great time.
