Hello, faded remnant of Usenet. I'd like to share with you my traditional late Christmas present: a fresh MiSTing. I've wanted to work on this for a long time now, and figured I would never get the whole source text done. So I chopped off a bit I could finish and put that into a MiSTing. I hope to do the rest of the book because, hoo boy, is there a lot of book. If I manage that I may assemble the pieces into some kind of special edition. We shall see. In the meanwhile, please enjoy this bit.
