I'm generally enjoying the episodes more as the season progresses. As we've seen in so many MSTed movies, they tend to kill off the most likable characters! (which, I suppose, makes the *other* deaths that much more tolerable ;-)).

An example of a line I laughed at: "She packs light: Just a basket of KITTENS" -Jonah :-)

P.S. Were people taking so many drugs in the 70's that they couldn't tell STYROFOAM from SNOW?
