This was a fun episode. To borrow from Dorothy Sayers, the movie was basically a love story, with kaiju interruptions ;-).

A few of the lines I enjoyed:

"So long, suckers!" -Tom, as Earth recedes

"What is that machine, and how can I use it to hurt people?" -Crow, as small Korean boy Ichio

"I turned every knob in the room, and I still haven't been able to stop the earthquake!" -Jonah

"Ichio, Ichio, tender, delicious Ichio. Where are you?" -Crow, as Yongary

"We now take you live to the Yongary Production Office, where the writers are desperately trying to figure out what to do with the rest of the movie" -Jonah
